

Natalee Holloway  
RESOURCE CENTER

**"After experiencing the abduction and murder of my son, I know the incredible pain that a loss like this brings, and so I commend Beth for channeling her pain into something positive and creating this foundation in conjunction with the National Museum of Crime & Punishment. It is my sincere hope that Beth and her family will get justice in Natalee's case. I always say that one person can make a difference. This foundation, in Natalee's memory and honor, will help protect other young adults from danger." -John Walsh**
